LINGWEI ZHENG

Postdoctoral Researcher
Institute of Space and Earth Information Science, The Chinese University of Hong Kong
lingweizheng@cuhk.edu.hk
lingwei-zheng.github.io | ORCID: 0000-0002-9916-5758

Education

The Chinese University of Hong Kong | Hong Kong — *Aug. 2022 - Jul. 2026*
PhD in Geography and Resource Management

University College London | London, UK — *2020 - 2021*
MRes in Spatial Data Science and Visualization

Ritsumeikan Asia Pacific University | Beppu, Japan — *2016 - 2020*
BSocSc in Environment and Development; First Class Honors; GPA: 3.73/4.00 (Top 5%)

Honors & Awards

Best Speaker, International Workshop on Geography and Sustainability — *2025, Xi'an*
Best Tutor Award, The Chinese University of Hong Kong — *2024 - 2025*
Computational Social Science PhD Fellowship, CUHK — *2022 - 2026*
Academic Merit Scholarship, Ritsumeikan Asia Pacific University — *2017 - 2020*
Japan Student Services Organization (JASSO) Scholarship — *2016 - 2020*

Projects and Research Experience

CUHK | Hong Kong
08/2022 - 08/2025
GLAN - Individual Environmental Exposure and Health
Participant in the project deploying geospatial big data and real-time mobile sensing to assess health impacts of green/blue spaces, light at night, air pollution, and noise.
PI: Prof. Mei-Po Kwan; RGC Collaborative Research Fund.

CUHK | Hong Kong
06/2024 - Present
Neighborhood Effect Averaging Problem (NEAP)
Participant in research advancing understanding of the NEAP in geography and social science.
PI: Prof. Mei-Po Kwan; RGC General Research Fund.

Teaching Experience

CUHK | Hong Kong
Teaching Assistant
Fall 2024; Fall 2025
GRMD5110 - Statistical Applications in Geography
Led practical sessions using SPSS, ArcGIS Pro, and R; designed and graded assignments; moderated and assessed group presentations.

CUHK | Hong Kong
Teaching Assistant
Spring 2026
GRMD4502 - Urban Big Data Analysis and Application
Led practical sessions in spatial data analysis using ArcGIS Pro and R.

CUHK | Hong Kong
Teaching Assistant
Spring 2026
GRMD2105 - Introduction to GIS
Led practical sessions using ArcGIS Pro and R; designed and graded assignments; moderated and assessed group presentations.

Academic Service

Peer reviewer: Environmental Research; Journal of Transport Geography; Travel Behaviour and Society; Humanities and Social Sciences Communications; Health & Place; Urban Forestry & Urban Greening.
Session chair: Geospatial Approaches to Urban Environmental Dynamics and Human Well-Being, AAG Annual Meeting, Detroit, 2025.

Skills & Interests

Programming: Python, R; JavaScript, HTML.
Methods: Machine learning, spatial and network analysis.
Tools: QGIS, ArcGIS Pro, SPSS; Mapbox, D3, ECharts.

Languages: Chinese (native), English (professional), Japanese.
Interests: Badminton, hiking, running.
